

Genesis 2

- 1) Which day did God rest from all his work which He created? (vs.2-3)
- 2) How did God water the plants at this time? (vs.5-6)
- 3) Where in Eden was the garden planted? (v.8)
- 4) Which tree in the garden were Adam and Eve commanded, by the LORD, not to eat of? (v.17)
- 5) Who named the animals? (vs.19-20)
- 6) How did God form the woman? (vs.21-24)
- 7) Do men have one less rib than women? (No, only the first woman was formed this way and the rest of mankind came about by ordinary procreation)

Challenge Question: See if you can find the approximate location of Eden and the garden of Eden from the geographic landmarks that are given in the chapter. (Hint: use a concordance and map to cross-reference the places named)
